EXPERIENCE

ML Data Associate Amazon	Aug 2021 - Jan 2023 <i>Bangalore, India</i>
-----------------------------	--

- Monitored the content outlay to defect flaws and took corrective measures to correct the process, using tool called HMI (Human Machine Interfaces).
- Analyses the data as per business requirements and detect exceptions.
- Meet predetermined and assigned productivity targets and quality standards within expected deadlines.

Open Source Contribution Social Summer Of Code	Aug 2022 - Nov 2022 <i>GitHub</i>
---	--------------------------------------

- Working with HTML, CSS, and JavaScript technologies was a great experience.
- Contributed to two projects, Sukoon and ZeroOctave repositories.

LEADERSHIP

- I was student coordinator for my department during the ISRO examination conducted in my college, which improved my decision-making capability and leadership abilities.
